Rotten

Gringo Star

1: You were alone
It wasn't wrong,
But now you are forgotten.
Run in place to get a taste
Dear boy it's gone rotten.Pre Chorus: They don't care what you said.
You go and raise the dead everywhere.Well it's the same slow times
All the same old cries
And you wont get much for your dimes.
2: You didn't say it's children's play
I would not vouce for your saftey
You're all alone
Your seat's been thrown from the wealth of your familyPre Chorus: They don't care what you said.
You go and raise the dead everywhere.
Well it's the same slow times
All the same old cries
And you wont get much for your dimes.Well it's the same slow times
All the same old cries
And you wont get much for your dimes.
