

Mind Sex

Dead Prez

Advisory - the following lyrics contain explicit language:

It's time for some mind sex, we ain't got to take our clothes off yet
We can burn the incense, and just chat
Relax, I got the good vibrations

Before we make love, let's have a good conversationPardon me love, but you seem like my type

What you doin' tonight? You should stop by the site
We could roll some weed, play some records and talk

I got a fly spot downtown Brooklyn, New YorkNow I know, you think I wanna fuck, no doubt
But tonight we'll try a different route, how 'bout we start

With a salad, a fresh bed of lettuce with croutons

Later we can play a game of chess on the futonSee I ain't got to get in your blouse
It's your eye contact that be getting me aroused

When you show me your mind, it makes me wanna show you mines

Reflecting my light, when it shines, just takin' our timeBefore the night's through, we could get physical too
I ain't tryin' to say I don't wanna fuck, 'cause I do

But for me boo, makin' love is just as much mental

I like to know what I'm gettin' intoWe could have mind sex, we ain't got to take our clothes off yet
We can burn the incense, and just chat
Relax, I got the good vibrations

Before we make love, let's have a good conversationIt's time for some mind sex, we ain't got to take our clothes off yet

We can burn the incense, and just chat

Relax, I got the good vibrations

Before we make love, let's have a good conversation

Time for some mind sexBefore we make love

Yeah, what you know about mind sex?

Before we make loveAfrican princess, tell me yo' interests

Wait, let me guess boo, you probably like poetry

Here's a little something I jotted down in case I spotted you around

So let me take this opportunityWould you share a moment with me, over herbal tea?

Take a walk verbally, make a bond certainly

'Cause in my hand I bet your hand fit perfectly

And it's like we floatin' out in space when you flirtin' wit meC'mon, a little foreplay don't hurt

Imagine my chest under this shirt, your ass under your skirt

It's like walking the hot sands and finding an oasis

Opposites attract that's the basisOur sex is the wind that separates the yin from the yang

The balance that means complete change, our aim

Is to touch you in a delicate spot

And once we get it started I ain't trying to stopBut first we have mind sex, we ain't got to take our clothes off yet

We can burn the incense, and just chat

Relax, I got the good vibrations

Before we make love, let's have a good conversationIt's time for some mind sex, we ain't got to take our clothes off yet

We can burn the incense, and just chat

Relax, I got the good vibrations

Before we make love, let's have a good conversation

Mind sexShe smiles, I smile

She walks, no she glides softly by me changing night into day

She opens her mouth to speak, and so sounds ring in my head

She speaks, and I want to dance to her rhythmShe moves ever so gently, increasing my desires

As I place my arms around her waist, hold and squeeze unto me

I want to melt into her body, and discover the base of her warmth

Her beautiful black body that, no human mind could ever conceiveShe's love, she's truth

She's real, as real as the stars that shine in the heavens

As real as the sun that bathes her body

As real as the moon that glows and the birds that sing and the roseThat blossoms in spring for she is that rose

And not just any rose, but a black rose

Black rose stands tall and stronger than any other plant

A black rose, that stands as creator, of nations of black roseThat never loses her petals, and blossoms all year round

Black rose, sweet rose, thornless rose, eternal rose

Please look my way, please look my way

Please look my way, black rose
