Love (Remix)

Patience, love, kind, love, sweet, love, kind, love
Patience, love, kind, love, sweet, love, kind, love
Patience, love, kind, love, sweet, love, kind, love
Patience, love, kind, love, sweet, love, kind, love
Patience, love, kind, love, sweet, love, kind, loveLove a word that comes and goes, but few people really know
What it means to really love some body
Love though the tears may fade away
I'm so glad Your love will stay 'cause I love You
And You've shown me Jesus what it really means, to lovePatience, love, kind, love, sweet, love, kind, love
Patience, love, kind, love, sweet, love, kind, loveLove a word that comes and goes, but few people really know
What it means to really love somebody
Ohh love though the tears may fade away I'm so glad Your
Love will stay 'cause I love You
And You've shown me Jesus what it really means, to loveLove the nights that I cried You loved me
When I should have died You loved me
I'll never know why You'd love me
It's a mystery to me now I'm glad to see JesusWhen all hope was gone You loved me
You gave me a song that You loved me
Now I can go on 'cause You love me
It's a mystery to me now I'm glad I see JesusLove the nights that I cried You loved me
When I should have died You loved me
I'll never know why You'd love me
It's a mystery to me now I'm glad to see JesusWhen all hope was gone You loved me
You gave me a song that You loved me
Now I can go on 'cause You love me
It's a mystery to me now I'm glad I see JesusNow I know what it really means
Now I know what it really means
Now I know what it really means
To love, to love, to lovePatient, patient, kind, that's love
Patient, patient, kind, that's love
Patient, patient, kind, that's love
Patient, patient, kind, that's loveOoh, ooh, ooh, ooh ,ooh ooh ooh, ooh ooh
