The Battle Is the Lord's

Yolanda Adams

There is no pain Jesus can't feel, no hurt He can not heal All things work according to His perfect will No matter what you're going through Remember God is using You for the battle is not yours It's the Lord's There's no sadness Jesus can't feel And there is no sorrow that He cannot heal For all things work according to the Master's holy will No matter what you're going through Remember that God is only using You For the battle is not yours, it's the Lord's It's the Lord's, yes, it's the Lord's Hold your head up high, don't you fright It's the Lord's, it's the Lord's Yes, it's the Lord'sNo matter what you're going through Remember that God only wants to use you For the battle is not yours It's the Lord's No matter what you happen to go through right now Remember that in the midst of it all, God only wants to use you No matter what you're going through, for the battle is not yours It's the Lord'sNo matter what it is that you're going through Hold your head up, stick your chest out And remember He's using you, no matter what you're going through God is only using youFor this battle is not yours alone, this battle is not yours, no You can not handle it all by yourself, no, no, no, no, no, no

It's the Lord's, not yoursThis battle is not yours, the Lord is the only one who can fight it

He wants to use you as His vessel, so be open to Him

It's not yours, no, it's not yours

It's the Lord's, not yoursThe battle is not your's

It's the Lord's Hallelujah, yeah

It's not yours, this battle is not yours
