

Secret Keeper

Birdwu

Hiram lifted Sequenenre from the sand to the surface, voice and tongue

In the initiation your risen from the dead in ode to the Secret Keeper Jubela, Jubelo, Jubelum Jubela, Jubelo,
Jubelum want it all

Become Osiris with the opening of the mouth

Slaves to Abif want the sign yeah yeah Together they shout Ma'at neb men-aa, Ma'at ba-aa Forever they shout

Ma'at neb men-aa, Ma'at ba-aa

Hiram, Sequenenre the same
