

# Shake Off Your Worries

## Chic Gamine

And Oh Jerusalem  
Oh my baby, rest your head  
She?s cryin? Jesus? name every night  
Oh my lord, stay by my side  
By my side

Mama pick cotton  
Mama drink tea  
Mama clean the dirt straight off her feet  
Mama sweat and bleed jus? to make ends meet  
Before the sunrise she?s on the street

And Oh Jerusalem  
Oh my baby, rest your head  
She?s cryin? Jesus? name every night  
Oh my lord, stay by my side  
By my side

Always wash your hands and sit up straight  
Keep your eyes closed, she say grace  
Mama sittin? pretty in a Sunday dress  
Wouldn?t let the good lord see nothin? less

And oh for heaven sake  
Shake off your worry  
Before it?s too late  
Coz only Jesus? name can you rely  
Don?t need no weepin?  
Just dry your eyes  
Dry your eyes

Mama pick cotton  
Mama drink tea  
Mama clean the dirt straight off her feet  
Mama sweat and bleed just to make ends meet  
Before the sunrise she?s on the street

She said shake off your worry  
She said shake off your worry
