

# Utopia

Sofia Loell

I see the world with different eyes  
Loud and clear, I hold my view  
I see no reason yet to give up  
The sweet idea of my utopia(I see with different eyes)  
Loud and clear, I hold my view  
I see no reason yet to give up  
The sweet ideaBut lately I've found myself  
Drowning in coffee and other habits  
Told me to make a change  
Told me to get a grip of thingsLike just buy a paper to follow up  
The rest of the world  
On the other side of my fenceI see the world with different eyes  
Loud and clear I hold my view  
I see no reason yet to give up  
The sweet idea of my utopiaI figured there'll be someone  
Waiting for someone else like me  
Someone that needs a break  
Needs to catch up with the real worldMaybe that someone  
And me could meet  
Maybe together we could  
Explore the other sideI see the world with different eyes  
Loud and clear I hold my view  
I see no reason yet to give up  
The sweet idea of my utopiaCan you hear the melody?  
Can you hear the world is calling us?  
I have always lived like this  
Turned inside myself in my utopia  
Oh, my utopiaI see the world with different eyes  
Loud and clear I hold my view  
I see no reason yet to give up  
This sweet idea of my utopia  
Oh, my utopiaI see the world with different eyes  
Loud and clear I hold my view  
I see no reason yet to give up  
The sweet ideaI see the world with different eyes  
Loud and clear I hold my view  
I see no reason yet to give up  
This sweet idea of my utopiaI see no reason yet to give up  
The sweet idea
