We Got the World

Icona Pop

They say you're a freak when we're having fun
Say you must be high when we're spreading love
But we're just living life and we never stop
We got the world
We got the wo-wo-wo-wo-wo...We can live fast, fly young
Everyday we celebrate just like we won
Only you and I, DIY
We found a way to live the dream until we dieJust come into my arms
I will get you love drunk
We'll be burning bright
Us against the world tonightThey say, "You're a freak," when we're having fun
Say, "You must be high," when we're spreading love
But we're just living life and we never stop
We got the worldAiming for the stars, Jupiter and Mars
We can ride a rocket and go so far
They say you're a freak when we're having fun
We got the world
We got the wo-wo-wo-wo-wo...Black shades, bright nights
Back to back we'll do this 'til the end of time
You and I live, don't learn
Everyday we fire it up and let it burnJust come into my arms
I will get you love drunk
We'll be burning bright
Us against the world tonightThey say, "You're a freak," when we're having fun
Say, "You must be high," when we're spreading love
But we're just living life and we never stop
We got the worldAiming for the stars, Jupiter and Mars
We can ride a rocket and go so far
They say, "You're a freak," when we're having fun
But we got the world
We got the world
We got the world
