

# We Got the World

## Icona Pop

They say you're a freak when we're having fun  
Say you must be high when we're spreading love  
But we're just living life and we never stop  
We got the world

We got the wo-wo-wo-wo-wo...We can live fast, fly young  
Everyday we celebrate just like we won  
Only you and I, DIY

We found a way to live the dream until we dieJust come into my arms  
I will get you love drunk  
We'll be burning bright

Us against the world tonightThey say, "You're a freak," when we're having fun  
Say, "You must be high," when we're spreading love  
But we're just living life and we never stop

We got the worldAiming for the stars, Jupiter and Mars  
We can ride a rocket and go so far  
They say you're a freak when we're having fun  
We got the world

We got the wo-wo-wo-wo-wo...Black shades, bright nights  
Back to back we'll do this 'til the end of time  
You and I live, don't learn  
Everyday we fire it up and let it burnJust come into my arms  
I will get you love drunk  
We'll be burning bright

Us against the world tonightThey say, "You're a freak," when we're having fun  
Say, "You must be high," when we're spreading love  
But we're just living life and we never stop

We got the worldAiming for the stars, Jupiter and Mars  
We can ride a rocket and go so far  
They say, "You're a freak," when we're having fun  
But we got the world  
We got the world  
We got the world
