

# Now or Never

## Dope

What'd you go and do that for  
I see the way you're looking at me  
And I don't know why I don't know and I'm not sure  
Have you lost your way  
Did you lose your mind, are you out of time  
You say, "Goodbye" like everything's alright  
You say, "Goodbye" like everything's alright  
If we go on it's now or never, if we go on  
If we go on it's now or never, if we go on  
What'd you go and do that for  
I'm telling you so tell me  
What's it gonna be? I don't know and I'm not sure  
But sooner or later  
I wanna believe, I wanna believe  
You say, "Goodbye" like everything's alright  
You say, "Goodbye" like everything's alright  
If we go on it's now or never, if we go on  
If we go on it's now or never, yeah  
It's now or never, it's now or never  
It's now or never, it's now or never  
Oh oh oh oh  
You say, "Goodbye" like everything's alright  
You say, "Goodbye" like everything's alright, right  
If we go on it's now or never, if we go on  
If we go on it's now or never, if we go on  
You're waiting to hold my hand  
It's now or never, yeah  
If we go on it's now or never, if we go on  
You're waiting to hold my hand  
It's now or never, it's now or never  
It's now or never, it's now or never
