

Something's Coming (BBC Radio Session)

Yes

Could be, who knows?
There's something to any day
I will know right away, soon as it shows
It may come cannonballin' down the sky
Gleam in its eye, bright as a rose
Who knows? It's only just out of reach
Down the block, on a beach
Under a tree I got a feeling there's a miracle due
Gonna come true, coming to me
Could it be? Yes it could
Something's coming
Something good, if I can wait
Something's coming
I don't know what it is
But it is gonna be great
With a click, with a shock
Phone will jingle, door will knock
Open the latch
Something's coming
I don't know what it is
But it is gonna be great
Around the corner
Or whistling down the river
Come on, deliver to me, to me
Could be, who knows?
There's something to any day
I will know right away, soon as it shows
It may come cannonballin' down the sky
Gleam in its eye, bright as a rose
Who knows? It's only just out of reach
Down the block, on a beach
Under a tree I got a feeling there's a miracle due
Gonna come true, coming to me, to me [Incomprehensible]
Could be
Tonight
