

With Everything

The School of Worship

Open our eyes to see the things that make Your heart cry
To be the church that You would desire, A light to be seen
Break down our pride and all the walls we've built up inside
Our earthly crowns and all our desires we lay at your feet

So let hope rise and darkness tremble
In your Holy light and every eye will see

Jesus, our God
Great and might to be praised

God of all days, glorious in all of your ways
The majesty, the wonder and grace
In the light of Your name

With everything, with everything,
We will shout for Your glory
With everything, with everything
We will shout forth Your praise
And our heart they cry, be glorified
Be lifted high above all names
For You our Kind, with everything we will
shout forth Your praise

WO-OOO-O-OAH WO-O-OAH WO-O--OAH
