

I Need You (Produced By Mark Batson)

Alicia Keys

Na na na na no
No no no
Na na na na no
No no no The sand loves when, the waves come
The sky can't wait, for the light of the sun
So how could you, look me in my eye
And not see what what I feel inside
Tell me how could you, doubt the fact that I
I love you,
I love you Don't you ever, think like that.
Don't you ever, never do that?
There will never be two things, that go together better
Than you and me North needs south east needs west,
And no needs, yes yes yes
Up needs down life needs death,
And no needs, yes yes yes I need you
I need you
I need you
You, I need you
No no no
So how could you
Look me in my eye
And not see what what I feel inside
Tell me how could you
Doubt the fact that I
I love you,
I love you Don't you ever,
Think like that
Don't you ever,
Never do that?
There will never be two things
That go together better
Than you and me North needs south east needs west,
And no needs,
Yes yes yes
Up needs down life needs death,
And no needs,
Yes yes yes I need you
Oh baby I need you

No no no
Everyday, I need you
Na na na na no
You, I need you
No no no
Hey hey hey
I need you
No no no
Hey hey hey
Like the desert needs the rain
Like joy needs pain
