True To Me

Metro Station

She turned me on but now I'm shakin'
She shoots it in and I keep takin'They don't see
She's down with me tonight
(Time to push off)She's such a rush, she's such a crush
She's one in a million
She's such a rush, can't get enough
She' pumpin' through my veins
She's too fun to be so gone with me
Too good to be true, to meShe' over my head, she's all I need
I'm so strung out, she's out of my leagueBut they don't see
Shes' down with me, tonight
(Time to push off)She's such a rush, she's such a crush
She's one in a million
She's such a rush, can't get enough
She's pumpin' through my veins
She's too fun to be so gone with me
Too good to be true, to meOh, oh, she's too good to be true
I'm hooked up and we'll [Incomprehensible] too
Can't you see she's the sweat on the sheets?
Can't you see she's all that I need?
Can't you see she's all that I need?She's such a rush, she's such a crush
She's one in a million
She's such a rush, can't get enough
She's pumpin' through my veins
She's too fun to be so gone with me
Too good to be true, to meToo good to be true, to me
Too good to be true, to me
