

# Hit the Lights

## Raphs

Hit the lights  
Hit the lights  
Hit the lights  
Hit the lights

Baby, hold it and let me holla at you, baby for a moment

And if you with it, I'm with it, we'll keep it rollin'  
And we'll be dancing and drinking until the morning

Until the morning  
Sparks going off

It's so hot there's girls just taking all their clothes off  
So take a picture of this moment with your iPhone  
'Cause I don't wanna forget tonight, night, night

Put your lighters in the air  
Let 'em burn into the night  
And let everybody know  
That you're with it and you're ready to go

So hit the lights, oh, oh, oh  
Hit the lights, oh, oh, oh  
Hit the lights, oh, oh, oh  
Tonight, tonight

So hit the lights, oh, oh, oh  
Hit the lights, oh, oh, oh  
Hit the lights, oh, oh, oh

Hit the lights, hit the lights, hit the lights

Come out the dark and let the DJ lead the way, way, way  
'Cause it's hot in the club now do don't let it stop now

So hit the lights, hit the lights, hit the lights  
And everybody say oh, oh, oh, oh, oh  
YMCMB, bitches call me Tunechi Li

All them bitches think they fly  
And all 'em bitches flew to me  
Hit the lights so you could see

My drink is strong and my hooka sweet

Understand the time is now  
But time is up, the future's bleak  
It's me, it's stupid cupid

Love me, leave me in the morning  
If you like, your friend can join in  
The wildest flower in the garden

Coolest nigga in the party  
Shades on, dreads long  
Blood gang, red zone  
And I'm with Jay Sean  
Put ya lighters in the air  
Let 'em burn into the sky  
And let everybody know  
That you're with it and you're ready to go  
So hit the lights, oh, oh, oh  
Hit the lights, oh, oh, oh  
Hit the lights, oh, oh, oh  
    Tonight, tonight  
So hit the lights, oh, oh, oh  
Hit the lights, oh, oh, oh  
Hit the lights, oh, oh, oh  
    Hit the lights, hit the lights, hit the lights  
Come out the dark and let the DJ lead the way, way, way  
'Cause it's hot in the club now do don't let it stop now  
    So hit the lights, hit the lights, hit the lights  
        And everybody say  
    Turn 'em low, turn 'em high  
        Light it up to the sky  
    Turn 'em low, turn 'em high
