Dedication

Thin Lizzy

This is dedicated to the woman I love
Wherever she stands, my dedication
This is dedicated to the millions
That are starving from hunger in dedication
Dedication
Dedication
I dedicate it, dedicate it
Dedication
This is dedicated to the front lines that are dying
For dedication
This is dedicated to the child of mine wherever she stands
I give a dedication
Dedication
Dedication
I dedicate it, dedicate it
Dedication
This is dedicated for the children
That are starving at your hands
I dedicate this to the millions
I dedicate it to you
Oh yeah, a dedication
Oh yeah, oh yeah
Oh yeah, oh yeah
Dedicated
This is dedicated to the woman I love
(I dedicate this song, to the woman I love)
Wherever she stands, I give her dedication
(Wherever she stands)
This is dedicated, to the millions, that are starving, in dedication
(There are millions, they are starving from hunger, oh)
Dedication
(I dedicate it)
Dedication
(This song is for you)
I dedicate it, dedicate it
(Dedicate it, dedicate it)
Dedication
(Dedication)
Dedication

(To the woman I love)
Dedication
(To the child I knew)
I dedicate it, dedicate it
(I dedicate it, dedicate it)
Dedication
(Dedication)
Dedication
