

Into Jesus

DC Talk

I see the moon, a million stars are out tonight
Gentle reminders of the way You are
A sea of glass, a raging storm has come to pass
You show Your face in an array of ways My feet may venture to the ground
But You will never let me down
I can't hold it in, my soul is screaming Hey you, I'm into Jesus
Hey you, I'm into Jesus, oh yeah
Hey you, I'm into Jesus
Hey you, I've seen the truth and I believe I know You're there, I feel Your love through my despair
You speak the words that ease away the pain
My heart is free, my eyes are clear, my soul is healed
Now that You have got a hold on me My feet may venture to the ground
But He has never let me down
I can't hold it in, my soul is screaming Hey you, I'm into Jesus
Hey you, I'm into Jesus, oh yeah
Hey you, I'm into Jesus
Hey you, I've seen the truth and I believe (I still believe, I still believe)
Hey you, this kid is back
And I do declare the sun is shining
(I still believe, I still believe) Hey you, this kid is back
With a red alert and it might be blinding
(I still believe, I still believe) Hey you, the kid is back
And I do declare the sun is shining
(I still believe, I still believe)
Hey you, the kid is back My feet may venture to the ground
Hey you, I'm into Jesus
Hey you, I'm into Jesus, oh yeah
Hey you, I'm into Jesus
Hey you, I've seen the truth and I believe Hey you, I'm into Jesus
Hey you, I'm into Jesus, oh yeah
Hey you, I'm into Jesus
Hey you, I've seen the truth, I've seen the truth
I've seen the truth Hey you, I'm into Jesus
Hey you, I'm into Jesus, oh yeah
Hey you, I'm into Jesus
Hey you, I've seen the truth, oh yeah, I believe
Yeah, I believe
