Into Jesus

DC Talk

I see the moon, a million stars are out tonight

Gentle reminders of the way You are

A sea of glass, a raging storm has come to pass

You show Your face in an array of waysMy feet may venture to the ground

But You will never let me down

I can't hold it in, my soul is screamingHey you, I'm into Jesus

Hey you, I'm into Jesus, oh yeah

Hey you, I'm into Jesus

Hey you, I've seen the truth and I believeI know You're there, I feel Your love through my despair

You speak the words that ease away the pain

My heart is free, my eyes are clear, my soul is healed

Now that You have got a hold on meMy feet may venture to the ground

But He has never let me down

I can't hold it in, my soul is screamingHey you, I'm into Jesus

Hey you, I'm into Jesus, oh yeah

Hey you, I'm into Jesus

Hey you, I've seen the truth and I believe(I still believe, I still believe)

Hey you, this kid is back

And I do declare the sun is shinning

(I still believe, I still believe)Hey you, this kid is back

With a red alert and it might be blinding

(I still believe, I still believe)Hey you, the kid is back

And I do declare the sun is shining

(I still believe, I still believe)

Hey you, the kid is backMy feet may venture to the ground

Hey you, I'm into Jesus

Hey you, I'm into Jesus, oh yeah

Hey you, I'm into Jesus

Hey you, I've seen the truth and I believeHey you, I'm into Jesus

Hey you, I'm into Jesus, oh yeah

Hey you, I'm into Jesus

Hey you, I've seen the truth, I've seen the truth

I've seen the truthHey you, I'm into Jesus

Hey you, I'm into Jesus, oh yeah

Hey you, I'm into Jesus

Hey you, I've seen the truth, oh yeah, I believe

Yeah, I believe
