Worth the Wait

I:Scintilla

Woooh
This one's for my baby
Wooooohh
Heyyyeah
Oh oh ohohh
Oh oh this one's for my baby
Oh oh ohohh
Oh oh this one's for my baby
Thinking 'bout
How my life used to be
And all of the mistakes I made
Took a lifetime to find Mrs. Right
But girl you made it worth the wait
Cause 1
You turned me to a better man
2
You took the time to understand
3
For loving me for who I am
I gotta let you know that
[Chorus:]Baby you are
All I ever wanted
Just what I've been dreaming of
You're everything I need and more
Girl you're the one I've waited for
All this time I
Never thought that I would find love
Then you came along

You're everthing I need and more
Girl you're the one I've waited for
Oh oh ohohh
Oh oh this one's for my baby
Oh oh ohohh
Oh oh this one's for my baby
Now I swear from today to the end
Nobody's gonna take your place
Everything that I do is for you
And baby that'll never change

So 1
I'm gonna do all I can
2
I'm always gonna be your man
3
Promise to be there for you
I gotta let you know that
[Chorus]Hey girl, hey girl
I just wanna let you know
You're my world, my world
And I'm a never let you go
Hey girl, hey girl
I just wanna let you know
You're my world, my world
And I'm a never let you go
[Chorus]
