Don't Gotta Go Home

[unknown]

[DMX]Ain't no sense whining about it now
I mean we knew what it was when we became apart of it, feel me
{Monica}
Yeah
[DMX]Its Like
[Monica]There's something on your mind, I can see right through you
I know your girl been treating you wrong
But she ain't no good for you, why do you hold it inside
Boy you should let me know, I just want to make you right
Be the one you could cry on
[DMX]Baby, its like Baby, it's like I love my wife
We going through things and I ain't going home tonight
You got time for a nigga or is he still with you
Want to meet at the same spot or should I come get you
I'll be there in 10, be in the front
I been getting what I need so I'm a give you what you want
One on one 'cause you know how to talk to dog
You walk the dog and understand that New York is hard
[Monica (DMX)]You ain't gotta go home tonight
You can stay right here with me (I ain't goin' nowhere when you wake up I'm gonna be right there)
Don't you worry bout a thing (I ain't worried about shit)
You're here with me (Look its like I love my wife
We going through things and I ain't going home tonight alright)
[Monica]It's kinda strange when you call she is never home
Now your there all alone and you deserve so much more
Baby, I can treat you better than she can
It doesn't make sense to keep on loving and keep on trusting
When in return all you get is nothing

[DMX]Damn, you got me fucked up and I'm feeling it more
Never had a mistress distressed before
Come on ma, like it ain't that deep
Like there ain't no love there like I don't hate that I gotta creep
We go to sleep in each others arms
And I feel like this is where I belong
And if loving you is right then I ain't wrong
This is the same ol?'song, wife and fam?
Gotta be a father and husband but I am still ya man
Baby

[Monica (DMX)]You ain't gotta go home tonight
You can stay right here with me (I ain't goin' nowhere when you wake up I'm gonna be right there)
Don't you worry bout a thing (I ain't worried about shit)
You're here with me (Look its like I love my wife
We going through things and I ain't going home tonight alright)
[Monica (DMX)]This situation is getting critical (uh huh)
I watch so many tears fall (uh huh)
I know she not what you want
So why do you keep holding on
When I'm right here (What)
All you need to do is call (What)
Don't be afraid 'cause she won't know it
[Monica (DMX)]You ain't gotta go home tonight
You can stay right here with me (I ain't goin' nowhere when you wake up I'm gonna be right there)
Don't you worry bout a thing (I ain't worried about shit)
You're here with me (Look its like I love my wife
We going through things and I ain't going home tonight alright)
You ain't gotta go home tonight
You can stay right here with me (I ain't goin' nowhere when you wake up I'm gonna be right there)
Don't you worry bout a thing (I ain't worried about shit)
You're here with me (Look its like I love my wife
We going through things and I ain't going home tonight alright)
Stay with me
