

# Don't Gotta Go Home

[unknown]

[DMX]Ain't no sense whining about it now  
I mean we knew what it was when we became apart of it, feel me  
{Monica}  
Yeah  
[DMX]Its Like  
[Monica]There's something on your mind, I can see right through you  
I know your girl been treating you wrong  
But she ain't no good for you, why do you hold it inside  
Boy you should let me know, I just want to make you right  
Be the one you could cry on  
[DMX]Baby, its like Baby, it's like I love my wife  
We going through things and I ain't going home tonight  
You got time for a nigga or is he still with you  
Want to meet at the same spot or should I come get you  
I'll be there in 10, be in the front  
I been getting what I need so I'm a give you what you want  
One on one 'cause you know how to talk to dog  
You walk the dog and understand that New York is hard  
[Monica (DMX)]You ain't gotta go home tonight  
You can stay right here with me (I ain't goin' nowhere when you wake up I'm gonna be right there)  
Don't you worry bout a thing (I ain't worried about shit)  
You're here with me (Look its like I love my wife  
We going through things and I ain't going home tonight alright)  
[Monica]It's kinda strange when you call she is never home  
Now your there all alone and you deserve so much more  
Baby, I can treat you better than she can  
It doesn't make sense to keep on loving and keep on trusting  
When in return all you get is nothing  
  
[DMX]Damn, you got me fucked up and I'm feeling it more  
Never had a mistress distressed before  
Come on ma, like it ain't that deep  
Like there ain't no love there like I don't hate that I gotta creep  
We go to sleep in each others arms  
And I feel like this is where I belong  
And if loving you is right then I ain't wrong  
This is the same ol?'song, wife and fam?  
Gotta be a father and husband but I am still ya man  
Baby

[Monica (DMX)]You ain't gotta go home tonight  
You can stay right here with me (I ain't goin' nowhere when you wake up I'm gonna be right there)  
Don't you worry bout a thing (I ain't worried about shit)  
You're here with me (Look its like I love my wife  
We going through things and I ain't going home tonight alright)  
[Monica (DMX)]This situation is getting critical (uh huh)  
I watch so many tears fall (uh huh)  
I know she not what you want  
So why do you keep holding on  
When I'm right here (What)  
All you need to do is call (What)  
Don't be afraid 'cause she won't know it  
[Monica (DMX)]You ain't gotta go home tonight  
You can stay right here with me (I ain't goin' nowhere when you wake up I'm gonna be right there)  
Don't you worry bout a thing (I ain't worried about shit)  
You're here with me (Look its like I love my wife  
We going through things and I ain't going home tonight alright)  
You ain't gotta go home tonight  
You can stay right here with me (I ain't goin' nowhere when you wake up I'm gonna be right there)  
Don't you worry bout a thing (I ain't worried about shit)  
You're here with me (Look its like I love my wife  
We going through things and I ain't going home tonight alright)  
Stay with me
