

Restless

Kakkmaddafakka

Hey, i see you working it,
I see you strutting down the street. You look important huh?
I walk the other way, i don't wanna bother you with my sobriety
We used to share the summers nights riding our stolen bikes
But now i don't interest you, i'm like a blog from 1999I only see you when you're walking, walking to
somewhere
You're so restless, what can be over there?
I only see you when you're walking, walking to somewhere
You're so restless, it must be special thereAnd the next night i see you sitting over there with girl #115
Your fashion caught her eye? Another conquest of your personality
I've tried to indicate that she could be someone for me
But every weekend I see you walking with her quarter to 3I only see you when you're walking, walking to
somewhere
You're so restless, what can be over there?
I only see you when you're walking, walking to somewhere
You're so restless, it must be special thereI just want to conversate with you but you keep on talking to your
phone
You're so restless, you're gonna end up alone.I only see you when you're walking, walking to somewhere
You're so restless, what can be over there?
I only see you when you're walking, walking to somewhere
You're so restless, it must be special there
