

Step on My Old Size Nines

Stereophonics

I'd like to know what it's all about
What's out there?
Am I gonna get old and laugh?
About somethin'
Will I get me a boy or a girl?
Or not either?
Will I get what I want from this world?
I'm a daydreamer Then I watch the old couple dance
Step on my old size nine's and I'll take you 'round I'd like to know what you're all about
What's up there?
Are you gonna get old and laugh?
Without a care
Will you get you a boy or a girl?
Or not either?
Will you get what you want from this world?
A daydreamer Then I watch the old couple dance
Step on my old size nine's and I'll take you 'round I'd like to know what we're all about
We all have done
Am I gonna get old and laugh?
About someone
Think I will get me a boy or a girl
Or not either?
Will I get what I want from this world?
A daydreamer Then I watch the old couple dance
Step on my old size nine's and I'll take you 'round Around
Around
Around
Around
Around
Around, 'round, 'round
'Round, 'round, 'round
'Round and 'round
