

# Top Of The World

## Powerman 5000

Oh Yeah! Yay!  
Baby, baby! Look around  
Look around  
Tell me what you see  
It's going down without you Look around  
Look around  
Show me anything  
That makes you feel like I want to belong What have you got  
What do you need (from me now)  
What do you think  
There's no difference between me and you Hey!  
What's on top of the world when you get there  
What's on top of the world (hey, hey!)  
What's on top of the world when you get there  
What's on top of the world Step it up  
Step it up  
Before you disappear  
I'll crawl a mile 'neath your shoes Step it up  
Step it up  
It's the payback  
The fix told you what you needed to do What have you got  
What do you need (from me now)  
What do you think  
There's no difference between me and you Hey!  
What's on top of the world when you get there  
What's on top of the world (hey, hey!)  
What's on top of the world when you get there  
What's on top of the world What's on top of the (hey!)  
What's on top of the (hey!)  
What's on top of the world (hey, hey!) What's on top of the world  
When you get there  
Waiting for me Hey!  
What's on top of the world when you get there  
What's on top of the world (hey, hey!)  
What's on top of the world when you get there  
What's on top of the world What's on top of the (hey!)  
What's on top of the (hey!)  
What's on top of the world (hey, hey!) What's on top of the world  
When you get there
