Firefly

A*Teens

Fly fireflyWhen I said go I never meant away
You ought to know the freaky games we play
Could you forgive and learn how to forget
Hear me as I'm calling out your nameFirefly come back to me
Make the night as bright as day
I'll be looking out for you
Tell me that you're lonely tooFirefly come lead me on
Follow you into the sun
That's the way it ought to be
Firefly come back to me
Fly fireflyYou and me we shared a mystery
We were so close like honey to the bee
And if you tell me how to make you understand
I'm minor in a major kinda wayFirefly come back to me
Make the night as bright as day
I'll be looking out for you
Tell me that you're lonely tooFirefly come lead me on
Follow you into the sun
That's the way it ought to be
Firefly come back to meFly firefly through the sky
Come and play with my desire
Don't be long don't ask why
I can't wait another nightFly firefly through the sky
Wait another night
Don't be long
Fire fire fireflyFirefly come back to me
Make the night as bright as day
I'll be looking out for you
Tell me that you're lonely tooFirefly come lead me on
Follow you into the sun
That's the way it ought to be
Firefly come backFirefly come back to me
Make the night as bright as day
I'll be looking out for you
Tell me that you're lonely tooFirefly come lead me on
Follow you into the sun
That's the way it ought to be
Firefly come back to me
