I Think I'm In Love (Radio Version)

Allure

Yeah, yeah yeah yeah
Yeah yeah
Yeah yeah ohEvery time you're near baby
I get kinda crazy in my head for you
I don't know what to doAnd oh baby
I get kinda shaky when they mention you
I just lose my coolMy friends tell me
Somethin' has come over me
And I think I know what it isI think I'm in love
Boy I think that I'm in love with you
I've been doin' silly things when it comes to you
In love, boy I think that I'm in love with you
I've been tellin' all my friends what I feel for youJust the other night baby, I saw you hangin'
You were with your crew
I was with mine too
You took me by surprise
When you turn and look me in my eyes
Boy you really blow my mindI don't know what's gotten into me
But, God, I think I know what it isIn love, boy I think that I'm in love with you
I've been tellin' all my friends what I feel for you
I think I'm in love
Boy I think that I'm in love with you
I've been doin' silly things when it comes with youSomethin' strange has come over me
Got me goin' out of my mind
Never met a guy like you before
You make me feel special insideI think I'm in love
I think I'm in loveBoy I think that I'm in love with you
I've been doin' silly things when it comes to you
I think I'm in love
Boy I think I'm in love with you
I've been tellin' all my friends what I feel for youBoy I think that I'm in love with you
I've been doin' silly things when it comes to you (goin' outta my mind)
I think I'm in love
Boy I think I'm in love with you
I've been tellin' all my friends what I feel for youBoy I think that I'm in love with you
I've been doin' silly things when it comes to you
I think I'm in love
Boy I think I'm in love with you

I've been tellin' all my friends what I feel for you
