Healing (feat. J. Angel)

Rudimental

All I need from you is all your love
And I know exactly what you want, babe
I'ma give you this healing, healing, healing all night, yeah
I've been riding with you all night long
And we gonna lay upon the throne, babe
Everybody is feelin', feelin', feelin' alright, yeahGonna get with a minute
Take some good help again
If you found love then it ain't my fault
Everybody that don't walk on walk, hey
Gonna get with a minute
Take some good help again
If you found love then it ain't my fault
Everybody that don't walk on walk, hey
Gonna get with a minute
Take some good help again
If you found love then it ain't my fault
Everybody that don't walk on walk, hey
