Dance

Super Stereo

Thought I'd seen it all
Been from place to place
Seen a million faces all the planetary
Toys...
Treats...
Freaks...What a sight
Body moves at night
Every kind of freaky people moving to the
Time...
Beat...
Street...Dance, Dance, Night
Tell me can you hear us coming down
Dance, For, Life
Feel that force it keeps on moving mePhysical
Reaction
Fills my world with action
Dance...
Dance...
Dream...Moving side to side
And off the wall
Don't fight it, don't fight it (just)
Groove...
To...
You...
I dance for youDance, Dance, Night
(You can dance, you can dance, dance)
Tell me can you hear us coming down
Dance, For, Life
Feel that force it keeps on moving me
(x2)Dance...All...Night
Dance...Dance for life (repeat)
The lights are down
Can you feel the sound
Hey, play my song
Play it all night long
Gettin' next to you
Get next to me
Let me show you how it's gonna be, nowDance, Dance, Night
(You can dance, you can dance, dance)

Tell me can you hear us coming down
Dance, For, Life
Feel that force it keeps on moving me
(x2)
