

# Overprotected (The Darkchild Remix)

## Britney Spears

I need time (time)  
Love (love), joy (joy)  
I need space (love)  
I need me (Action!) Say hello to the girl that I am  
You're going to have to see through my perspective  
I need to make mistakes just to learn who I am  
And I don't want to be so damn protected There must be another way  
Cause I believe in taking chances  
But who am I to say  
What a girl is to do?  
God, I need some answers What am I to do with my life?  
(You will find it out don't worry)  
How am I supposed to know what's right?  
(You just got to do it your way)  
I can't help the way I feel  
But my life has been so overprotected I'll tell them what I like, what I want, what I don't  
But every time I do I stand corrected  
Things that I've been told  
I can't believe what I hear about the world, I realize  
I'm overprotected There must be another way  
Cause I believe in taking chances  
But who am I to say  
What a girl is to do?  
God, I need some answers What am I to do with my life?  
(You will find it out don't worry)  
How am I supposed to know what's right?  
(You just got to do it your way)  
I can't help the way I feel  
But my life has been so overprotected I need time (love)  
I need space  
(This is it, this is it) I don't need nobody telling me just what I wanna  
What I, what, what, what I'm going to  
Do about my destiny  
I say no, no, nobody's telling me just  
What, what, what I wanna do, do  
I'm so fed up with people telling me to be  
Someone else but me (Action!) What am I to do with my life?  
(You will find it out don't worry)  
How am I supposed to know what's right?

(You just got to do it your way)  
I can't help the way I feel  
But my life has been so overprotected I don't need nobody telling me just what I wanna  
What I, what, what, what I'm going to  
Do about my destiny  
I say no, no, nobody's telling me just  
What, what, what I wanna do, do  
I'm so fed up with people telling me to be  
Someone else but me What am I to do with my life?  
(You will find it out don't worry)  
How am I supposed to know what's right?  
(You just got to do it your way)  
I can't help the way I feel  
But my life has been so overprotected
