

# Can't Help

## Parachute

Whoa-oh-oh, whoa-oh-oh

Well I tried to fake it, baby I tried to break it  
But that's some kind of spell you got over me  
You're a heavenly vision, gonna make it my mission  
Do whatever it takes to get you with me

Everywhere I go, yeah, no one else I know  
That shines as bright as you in my telescope  
I tried to let it fade but I can't get away  
I really hope you're listening 'cause I never thought I would say-ay-ay

I can't help myself from falling in love  
From falling in love with you, yeah-yea  
I can't help myself from taking the drug  
From taking the drug, it's you, yeah-yea

It happens every time, can't get you off my mind  
And anybody else, better wait in line  
I can't help myself from falling in love  
From falling in love with you yeah-yea

Every time you come calling, didn't think I'd be falling  
Never thought It'd be you I would always need  
Love was something to run from, I was always the last one  
That everyone thought would be in this dream

Everywhere I go, yeah, no one else I know  
That shines as bright as you in my telescope  
I tried to let it fade but I can't get away  
I really hope you're listening 'cause I never thought I would say-ay-ay

I can't help myself from falling in love  
From falling in love with you, yeah-yea  
I can't help myself from taking the drug  
From taking the drug, it's you, yeah-yea

It happens every time, can't get you off my mind  
And anybody else, better wait in line  
I can't help myself from falling in love

From falling in love with you yeah-yea

They told me son, you'll be addicted  
You stole a kiss, and now I see it  
You're in my veins, and I can feel it  
Taking over me...

I can't help myself from falling in love  
From falling in love with you, yeah-yea  
I can't help myself from taking the drug  
From taking the drug, it's you, yeah-yea

It happens every time, can't get you off my mind  
And anybody else, better wait in line  
I can't help myself from falling in love  
From falling in love with you yeah-yea
