Black & White

Howard Jones

The ink is black
The page is white
Together we learn to read and write
The child is black
The child is white
The whole world looks upon the sight
The beautiful sight
And now a child can understand
That this is the law of all the land
All the land
The world is black
The world is white
It turns by day and then by night
The child is black
The child is white
Together they grow to see the light
To see the light
And now at last we plainly see
We'll have a dance of liberty
The world is black
The world is white
It turns by day and then by night
The child is black
The child is white
The whole world looks upon the sight
The beautiful sight
The world is black
The world is white
Tt turns by day and the by night
The child id black
The child is white
Together they grow to see the light
To see the light
(repeat last two verses)
