Yuk Foo

Wolf Alice

Am I a bitch to not like you anymore?
Punch me in my face, I wouldn't even fight you no more'Cause you bore me
You bore me to death
Well, deplore me
No, I don't give a shitI wanna fuck all the people I meet
Fuck all my friends and all the people in the street'Cause you bore me
You bore me to death
Well, deplore me
Well, I don't give a shit
Shit, shit, shit
I don't wanna be cruel, but you're really grinding
I'm not a fool but I have a rage and it's blinding
I feel it coming, is it exciting?
I feel it coming, yeah I'm unwindingYou bore me
You bore me to death
Well, deplore me
No, I don't give a shitYou bore me
You bore me to death
Well, deplore me
No, I don't give a shitYou bore me to death
No, I don't give a shitYeah I have feelings, cause I'm a human
Totally self-destructive, constantly consuming
And now I'm fucked, and that fucks you too
So fuck the world, and you, and you and
You bore me
You bore me to death
Well, deplore me
No, I don't give a shit'Cause you bore me
You bore me to death
Well, deplore me
No, I don't give a shitYou bore me to death
No, I don't give a shit
You bore me to death
No, I don't give a shit
