

# For the Glory

## All Good Things

Better back down, you're in my domain  
Got the whole crowd screaming out our name  
It's a blowout, it's a hurricane  
It's over before you know it  
Why you shaking, we're a dynasty  
In the making, we're the royalty  
Now we're breaking down the enemy  
Move over for the soldiers Take a swing, I can take a hit  
If we die it's fine, we live for this  
It's all for this  
We're gonna stand on top with our hands in the sky  
Gonna raise our cup to the stadium lights  
For the glory (For the glory)  
For the glory (For the glory)  
We celebrate with the city tonight  
Hear the hometown cheer, it's the ultimate high  
For the glory (For the glory)  
We do it for the glory (For the glory) Yeah, we've waited, for our time to come  
Calculated everything we've done  
We've upgraded, now you can't outrun a champion  
Now you're facing one  
Can you hear them, yeah, it's all for us  
You believe them, yeah, it's serious  
Hear the siren, we're victorious  
I'm telling ya, can I get a hell yeah? (Hell yeah!)  
Take a swing, I can take a hit  
If we die it's fine, we live for this  
It's all for this We're gonna stand on top with our hands in the sky  
Gonna raise our cup to the stadium lights  
For the glory (For the glory)  
For the glory (For the glory)  
We celebrate with the city tonight  
Hear the hometown cheer, it's the ultimate high  
For the glory (For the glory)  
We do it for the glory (For the glory) You're the tracer, I'm the eraser, I'll ruin your record  
I'm back here to break ya,  
I cut like a razor so call the trophy engraver  
I'm gonna get it, wait till I win it, God I'm so glad to be in it  
Can't wait to say that we did it, this is my life and I live it

Ready to give it my all when you  
fall back, taking advantage of all that  
Game is on average, you're so bad,  
playing shorthanded, your team scratched  
Time to assess all the damages, I know that you couldn't handle this  
It takes a man to stand up to the  
king and unfortunately you're in bandages We're gonna stand on top with our hands in the sky  
Gonna raise our cup to the stadium lights  
For the glory (For the glory)  
For the glory (For the glory)  
We celebrate with the city tonight  
Hear the hometown cheer, it's the ultimate high  
For the glory (For the glory)  
We do it for the glory (For the glory)(Whoa, whoa) This is why we do it  
(Whoa) This is what we live for  
We're on top (For the glory)  
We never run (For the glory)  
Heads to the sky  
(Whoa, whoa) Never back down  
(Whoa) Never back down  
You just know my name (For the glory)  
You're gonna know my name (For the glory)
