

Real One

Chris Brown

Yeah

I don't give a fuck about ya nigga, baby
That nigga weakAye baby, you baby
That's some good pussy we can make a new baby
Fuck you in the Maybach, fuck a room baby
I use my tongue, use your mouth, watch your tooth baby
Dick ain't proper got a lot of bodies
And the house game Hilton, got a lot of lobbies
Bitches overnight it, what you know 'bout it?
T-Raww whip out, tap outI got 'em all hooked like drugs
And all them tryin' to fuck with a young nigga
Pulled up to the club like what
Straight to V.I.P
Double cuppin' I stay too turned up
'Cause we poppin' bottles in here
Baby I'm just tryin' to party, yeah
'Cause I'm the man of the yearI'm tryin' to get a little buzz
Party poppin' and a nigga spendin' money
Hope I get fucked up
I see your girl lookin' over, at me
She wanna turn up
I can tell by the look in her face
That she ain't happy with you, nigga
And I can bet that I'm gon' get her
And I don't
I don't really care if (I don't care bout you nigga baby)
If you gotta man (that nigga weak) 'cause
You over there starin' (I see you starin' at a nigga babe)
At me, at me, yeah
I guess your nigga too lame, huh?
Girl I bet you want a real one, yeah
You want a real one, yeah
You want a real oneGirl I know you wanna jump up on it right there, right there
'Cause everybody in the club gettin' faded
A hundred thousand dollar tab, I'mma pay it
Girl the party's jumpin', DJ's bumpin' my shit, oh yeah
Got everybody in the club lookin' at us
I'm at the top I just climbed up the ladder, real shit
Girl you givin' me the screw face

I know them bitches hatin' you, yeah they two-faced
I know he told you not to drink but what do you say?
I know he tryin' to lock you down like me and Boosie
Fuck that nigga, my middle finger up
Fuck a rap nigga, you just want a singer, huh?
I'm with this shit and you love it
Go on and twerk some for me I'm tryin' to get a little buzz
Party poppin' and a nigga spendin' money
Hope I get fucked up
I see your girl lookin' over, at me
She wanna turn up
I can tell by the look in her face
That she ain't happy with you, nigga
And I can bet that I'm gon' get her
And I don't (I don't)
I don't really care if (I don't care bout you nigga baby)
If you gotta man (that nigga weak) 'cause
You over there starin' (I see you starin' at a nigga babe)
