

# Trumpets

## Full Service

I'm a sucker for a beat, I'm a human and I have my feet  
Leave, leave pain, leave me  
When I shake, I shake off everything  
Boogie woogie woogie woogie woogie woogie Marchin' down the town road  
Watchin' through my window  
Snare drum and banjo  
Hear the trumpets go I'm a sucker for the bounce, when I hear it comin' up and down  
These knees love a hoe-down  
When I stomp, I stomp right through the ground  
Boogie woogie woogie woogie woogie woogie woogie
