

The Mouth

[Bridget Kelly](#)

I will answer to a drowning sea
and I will answer to a thundering sky
and I know what will become of me, yeahhh
I'll accept the punishment & won't ask why...because I know I shouldn't have done that
know I shouldn't have said that
know I shouldn't have did that
know I would regret that
now I can't undo that one...
that one...[Chorus]
that one last kiss
that set it off like a wild fire burning inside
I know it all begins
with the mouth...with the mouth
never thought it would come to this
but like a moth to a flame
I will follow desire and it
all begins...
with the mouth...with the mouth now I'm a prisoner to your touch (ohhhhhh)
hey, now I'm a servant and you are my king (yeah)
one night.....no, it didn't take much (take muuuuch)
i want it more now than anything (yeeaah.....damn)...because I know I shouldn't have done that
know I shouldn't have said that
know I shouldn't have did that
know I would regret that
now I can't undo that one...
that one...[Chorus]
that one last kiss
that set it off like a wild fire burning inside
I know it all begins
with the mouth...with the mouth
never thought it would come to this
but like a moth to a flame
I will follow desire and it all begins...
with the mouth...with the mouth(vocalizing)
with the mouth...
knew i shouldn't have did that one...(music fades)
