You Won't Let Go

Cory Asbury

All of my life before You
You see when I rise and when I fall
You're faithful beyond my weakness
Your love will never change
Your love will never changeYou won't let go, You won't let go
You won't let go, You won't let go
You won't let go of my hand
You won't let go, You won't let go
You won't let go, You won't let go
You won't let go of my handSo I will believe You're for me
Your rod and Your staff, they comfort me
In life and in death, You have overcome
Your love will never fail
Your love will never fail
You won't let go, You won't let go
You won't let go, You won't let go
You won't let go of my hand
You won't let go, You won't let go
You won't let go, You won't let go
You won't let go of my handEven in the battle, You are with me
I will not be broken in the fight
You will go before me and behind me
You'll never let me go, You'll never let me goYou won't let go, You won't let go
You won't let go, You won't let go
You won't let go of my hand
You won't let go, You won't let go
You won't let go, You won't let go
You won't let go of my hand
You won't let go, You won't let go
You won't let go, You won't let go
You won't let go of my hand
You won't let go, You won't let go
You won't let go, You won't let go
You won't let go of my hand
