

Manhunt

Klingonz

We're straining at the leash
We smell the human meat
The only way for us to go
 The order of the pack
 Command is kill, attack
 Obey the master's law
Bad temper rules our minds
 The hunt is on this time
 We can't wait
 No way to stay alive
 The prey is finalized
 It's total genocide
We're on the manhunt, we keep on pushing
 We're on the manhunt
We're on the manhunt, we keep on pushing
 We're on the manhunt
 We train our deadly pride
 No way for man to hide
We're always aiming for your neck
 This is your final day
 Just believe and pray
 We're feasting on your eyes
 Bad temper rules our minds,
We're on the manhunt, we keep on pushing
 We're on the manhunt
We're on the manhunt, we keep on pushing
 We're on the manhunt, this ain't no suicide
 We're on the manhunt,
What is the victim's face, not us who's wrong
 The terror of the chase, can't be undone
We turned the game around, not us who's wrong
 You made us go to ground, can't be undone
 We're on the manhunt,
We're on the manhunt, we keep on pushing
 We're on the manhunt, this ain't no suicide
 We're on the manhunt, we keep on pushing
We're on the manhunt, try to hide, no way to run
