

City of Angels (Live at Rock In Rio 2013)

30 Seconds to Mars

There was truth, there was consequence, against you
A weak defense, then there's me
I'm 17, and looking for a fight
All my life, I was never there just a ghost, running scared
Here our dreams aren't made, they're won
Lost in the city of angels
Down in the comfort of strangers, I
Found myself in the fire burnt hills
In the land of a billion lights
Bought my fate, straight from hell
A second sight has paid off well
For a mother, a brother and me
The silver of the lake at night
The hills of Hollywood on fire
A boulevard of hope and dreams
And streets made of desire
Lost in the city of angels
Down in the comfort of strangers, I
Found myself in the fire burnt hills
In the land of a billion lights
I found myself in the fire burnt hills
In the land of a billion lights
(Angels)
(Angels) I am home, home, home, home
Lost in the city of angels
Down in the comfort of strangers, I
Found myself in the fire burnt hills
In the land of a billion lights
One life, one love, live
One life, one love, live
One life, one love, live
One life, one love
The city of angels
The city of angels
The city of angels
The city of angels
