I Can't Let Go

Charlie Wilson

I can't let go, I can't let goOhh yeahh, yeahh
Baby sit down, I've got something I wanna say to you,
Let your coat down, I wanna get through to you,
You got that love I never knew,
Until you came in my life, ...
Don't say a word until I finish, baby,
I ain't go stop, I'm going in, baby,
Until I will make you see, I will never leave.Don't you know, ..that woman,
You got that something, that keeps me coming through,
If ever want you, the sexy way you move,
Just makes me stop and say,
And that's why I ain't going nowhere.[Chorus:]
Ohh, I can't let go,
Baby you got what I need, you got what I need,
And I got what you want, oh baby,
Ohhh, baby, I can't let go,
This is coming from my heart, I need to know,
That I just can't let you go.
That I just can't let you go.You know you got that thing,
And when I did it baby
You make for sure I don't forget it baby,
Is that damn good, I want to give it to you every night, every night.
You call my name and I go running to you,
Fortunate fame, I give it up for you,
Cause it won't be the same,
If you're understanding my name.[Chorus:]
Ohh, I can't let go,
Baby you got what I need, you got what I need,
And I got what you want, oh baby,
Ohhh baby, I can't let go,
This is coming from my heart, I need to know,
That I just can't let you go.Baby loving you just keeps me in the zone,
I f I can't have, I'd rather be alone,
...in the stars, but you're the only one,
That's you're my world, you're my soul.[2x Chorus:]
I can't let go, I can't let go,
I can't let go, I can't let go,
I can't let go, I can't let go,
I can't let go, I can't let go.
