

21 'Til I Die

Crazy Lixx

I'm like a bullet. shot from a gun
running free and i was born to run
riding the fast lane on life's highway
there ain't no red lights that'll make me stoppre- chorus
no i don't brake for anyone. i won't take shit from you
i'm not your sweet kid anymore. so this is what i'll do chorus
gonna' kick up my heels live for thrills
hard as a rock and tough as steel
i wanna' be 21 til i die
21' til i die i'm one the way out on the track
those wasted years that i'll never get back
i'll never waste another day
thinking what they want and doing what they say pre- chorus
no i don't brake for anyone. i won't take shit from you
i'm not your sweet kid anymore. so this is what i'll do chorus
gonna kick up my heels live for thrills
hard as a rock and tough as steel
i wanna be 21 til i die
livin' the life out in the night
hit like a hammer. cut like a knife
21, 21' til i die
