I'll Step Aside

Hank Thompson

I'll step aside for you if you don't want me
I'll step aside for you if you don't care
I'm not the one to cling to a broken promise
I'll step aside for someone else somewhereI'll step aside for you if you don't want me
I'll step aside for you and you alone
And when I'm gone just promise you'll remember
That I was once your darling, all your ownBefore you go, please answer this one question
As you gaze into my tear dimmed eyes
Can it be true you never cared about me
And all those things you told were just liesI'll step aside for you if you don't want me
