

# I'll Step Aside

[Hank Thompson](#)

I'll step aside for you if you don't want me  
I'll step aside for you if you don't care  
I'm not the one to cling to a broken promise  
I'll step aside for someone else somewhere I'll step aside for you if you don't want me  
I'll step aside for you and you alone  
And when I'm gone just promise you'll remember  
That I was once your darling, all your own Before you go, please answer this one question  
As you gaze into my tear dimmed eyes  
Can it be true you never cared about me  
And all those things you told were just lies I'll step aside for you if you don't want me
