

# 'ghost town'

## The Specials

This town, is coming like a ghost town  
All the clubs have been closed down  
This place, becoming like a ghost town  
Bands won't play no more  
too much fighting on the dance floor

Do you remember the good old days before the ghost town?  
We danced and sang, and the music played in a de boomtown

This town's becoming like a ghost town  
Why must the youth fight against themselves?  
Government leaving the youth on the shelf  
This place, is coming like a ghost town  
No job to be found in this country  
Can't go on no more  
The people getting angry

This town's becoming like a ghost town  
This town's becoming like a ghost town  
This town's becoming like a ghost town  
This town's becoming like a ghost town
