

# Lazy Days

## Miss Bliss

Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
    We just wanna get our kicks for free  
    We just wanna get our kicks for free  
Well, I was walkin' through MacArthur Park  
Lookin' for some sugar just to cure my heart  
    And after dark I talk to the cabby  
'Cause he drives me home if I call him daddy  
    And it's alright  
    Just as long as I can get high  
Sit back and watch the sunset in the sky  
I don't know if you know what I mean  
    But it's love in Los Angeles  
    Hey, lazy days in Los Angeles  
If it ain't your parents it's the damn police  
    We just wanna get our kicks for free  
    We just wanna get our kicks for free  
    Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
    We just wanna get our kicks for free  
    We just wanna get our kicks for free  
    Walkin' through Malibu, not a thing to do  
Gotta find a fine young little girl to screw over  
    I never meant to block your sunshine  
    I never meant to block your sunshine  
    I never meant to block your sun  
I don't know if you know what I mean  
    But it's love in Los Angeles  
    Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
    We just wanna get our kicks for free  
    We just wanna get our kicks for free  
    Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
    We just wanna get our kicks for free  
    We just wanna get our kicks for free  
    Now everybody clap your hands  
    We're gonna do the dirty dance  
    Now everybody stomp your feet

To the beat, c'mon  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Tryna get 'em for free  
We just wanna get our kicks for free  
Tryna get 'em for free  
I don't know if you know what I mean  
But it's love in Los Angeles  
It's love, it's love, it's love  
Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Lazy days in Los Angeles  
If it ain't your parents, it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free
