Fire

Tessanne Chin

I've been rocking my brain
Cause I feel I've been go insane
Something bout you change
No matter how hard I try
It so hard to dined (yeah, yeah)
Am not really sure
But you're nothing like you were before
My momma told me bout that
So did my friends but I never listen
Yeah yeah yeah yeah

Shame on me because my eyes were closed
And you go ahead and live the life that you choose
Thats alright I supose, I burn all your cloths (Lighter)
Yes I did...

Your playing with fire.. yeah yeah
Boy your playing with fire..yeah yeah
Ohh yeah,
Boy your playing with fire..yeah yeah
You never learn
Now its your turn to burn, burn, burn, burn

I may not have proff
But you and I both know its the truth (Yeah)
I don't wanna hear no excuse
Am turning you lose before this shit hit the roof
Hey Mr Insincere, you ain't fooling me with those tears
And I haven't feel the way that a woman haven't feel in years
Hi hi hi hi hi hi

Shame on me because my eyes were closed
And you go ahead and live the life that you choose
Thats alright I supose, I burn all your cloths (Lighter)
Yes I did...

Your playing with fire.. yeah yeah
Boy your playing with fire..yeah yeah
Ohh yeah,
Boy your playing with fire..yeah yeah

You never learn
Now its your turn to burn, burn, burn, burn

Ladies don't forget who you are
Don't you ever stop believing just keep raising the bar
And don't matter who it is
Just keep your goods in the Jar
Hey, cause your perfect and you worth it
Lets do it, let do it

Shame on me because my eyes were closed
And you go ahead and live the life that you choose
Thats alright I supose, I burn all your cloths (Lighter)
Yes I did...

Your playing with fire.. yeah yeah
Boy your playing with fire..yeah yeah
Ohh yeah,
Boy your playing with fire..yeah yeah
You never learn
Now its your turn to burn, burn, burn, burn

I said your playing with
I said your playing with
I said your playing with
Playing with
Playing with
Playing with
Ohh my, hey..playing with
You didn't know what you a deal with
