NEF The Pharaoh

[Intro]

Yeah, girl, pay attention, say, "Yeah"[Hook]

God put a angel in front of me

Swear you could be what you wanna be

Sneakers instead of the heels, yeah

Way that you move is appealing

I hear you claim that niggas ain't shit

Sorry, I'm not who you came with

The party was fun while it lasted

But now you're just ready for action[Verse 1]

So focused on your career, you don't even notice a nigga is here

You're not looking for love and it's clear

I noticed it's something you fear

Never put you under pressure, take a fall and I'm a catch you

Give you blessing after blessing

People never see the big picture, but I always get the message

Seeing one and I'm a check it

Uber driver driving reckless, sip's on, we in Texas

If she get high, then start stressing

I put some marks on her necklace

Mark will even out the check-ins, put some money in her jackets

Do it cause it's unexpected, a real bitch gon' respect it

You'll never ever get neglected

I pay attention, you know I love it when you're natural

You tell me you don't good

Seeing yourself is seeing your way out

I had a crush for a long time, but today I'm telling you while we face-to-face

And I don't care about no nigga and she had a young face

I bet he ain't had shit on my ass

I'm not another, I'm a lover that can last

I wanna fuck you 'til the next nigga mad

Everything you do is beautiful, you, you and I love it

I done traveled the world and seen millions of girls, but I swear these bitches mean nothing[Hook]

God put a angel in front of me

Swear you could be what you wanna be

Sneakers instead of the heels, yeah

Way that you move is appealing

I hear you claim that niggas ain't shit

Sorry, I'm not who you came with

The party was fun while it lasted
But now you're just ready for action[Verse 2]
Ready for a real nigga
That a real nigga, here to say your ex wouldn't ride
I'm ready for a real bitch, said he too childish
Baby, will you let me take it down
In the driveway in the back of your Benz
Yeah, yeah, yeah, yeah, mess that shit up
Backseat, hell yeah, fuck that shit up
Say you ain't even looking for love
You get your own, you won't want for non
Bad bitch, know you more than that
Average, know you never that
Horny, girl, you always that[Hook]
God put a angel in front of me
Swear you could be what you wanna be
Sneakers instead of the heels, yeah
Way that you move is appealing
I hear you claim that niggas ain't shit
Sorry, I'm not who you came with
The party was fun while it lasted
But now you're just ready for action[Bridge]
You gon' be my super freak tonight
Ain't nobody made you act this way
Press record, we got a movie now
DJ, keep this shit on replay[Hook]
God put a angel in front of me
Swear you could be what you wanna be
Sneakers instead of the heels, yeah
Way that you move is appealing
I hear you claim that niggas ain't shit
Sorry, I'm not who you came with
The party was fun while it lasted
But now you're just ready for action[Outro]
Ready for action, ready, ready for more
Ready to go to the Benz, see what I got in store for you
Ready for, ready for me to be all up on top of your body 'til you get excited
And you don't want me to stop, but you want me to get bored
Keep on going, you know that I won't stop
Once, girl, I keep going, you know that I won't stop
I won't stop, you know that I won't stop
Look at you, ready for action
