

Can You Feel It?

P.O.D.

Welcome to the minds of infamous ones
Children of God, Jesus' son
Gonna hit you hard, it's the hit man for Christ
Gonna steal your soul, you just might
You had no idea that Christians could be so hard core
We'll keep you flowing to the rhythm seeking more and more
Can you deal with it? 'cause this is real kid
You must be one in a mil if you can't feel it
How could you feel it boy if you don't move
How could you say you feel it if you don't groove
Just let your spirit go and keep going
Don't even try to stop this flow, it keeps coming
I see you there, you think you're really tough
But if you got soul you're rockin and ready to burst
Go with the flow and let yourself go
Gods running the show He's got control of my soul
Chorus
Can you feel it x4
P.O.D. (chanted x4) What's the problem son? You said you wanted some
But when I started rocking POD got the job done
My Lord said hard, hard is how you hit 'em
One blow with the mic and the quincess is how I get 'em
Alternative thrash can you deal with it?
funk and groove with a hip hop feel to it
Giving you a style with a different kind of sound
So keep on rockin even when we bring it down
Bring it down, bring it down, bring it down ya'll
Bring it down, bring it down, bring it down
Bring it down, bring it down, bring it down ya'll
But don't change the funky funky sound
REPEAT
