

Cold (by D. Guetta)

Nicole Scherzinger

I'm missing a piece of the puzzle,
And this time I know, we're in trouble.
You got me spinning in circles
And wondering where did the love go. You're not the man I used to know
Can we go back to before?
When you had my heart in your soul
Hoooh, oooh Cold (oo-oo-ooohooow)
You're so bitter cold
It feels like you don't love me any-
-More (oo-oo-ooohooow)
And it's starting to show
It feels like you don't love me anymore The mercury's reaching a new low
Falling like leaves when the wind blows
How did it all chill so quickly?
We were the ones who were meant to be I'm frozen, I can't let you go
I'm stuck on the same song
Do you feel anything at all?
Hoooh, oooh Cold (oo-oo-ooohooow)
You're so bitter cold
It feels like you don't love me any-
-More (oo-oo-ooohooow)
And it's starting to show
It feels like you don't love me any-
It's cold (oo-oo-ooohooow)
You're so bitter cold
It feels like you don't love me any-
-More (oo-oo-ooohooow)
And it's starting to show
It feels like you don't love me anymore Just got my feet back on the ground
Ice cracks and now I'm falling down, down, down
Can't give much more 'cause you just take
Everything good until it breaks
Baby, baby, baby, baby
Oh baby, ooh baby,
Aah oh baby where now you go? Cold (oo-oo-ooohooow)
You're so bitter cold
It feels like you don't love me any-
-More (oo-oo-ooohooow)
And it's starting to show

It feels like you don't love me any-
It's cold (oo-oo-ooohoow)
You're so bitter cold
It feels like you don't love me any-
-More (oo-oo-ooohoow)
And it's starting to show
It feels like you don't love me anymore
It feels like you don't love me anymore
It feels like you don't love me anymore
It feels like you don't love me anymore
It feels like you don't love me anymore
