Monster

Colours

just say everything that you need
and I will make it come true
then break the rules that you made
turn me into someone like you
and just like you...now I'm feeling like a monster
and I feel I'm getting stronger
now I'm feeling like a monster
monsterjust stay a little longer
so you can show me how to move
and take it further
make me into someone like you
and just like you...now I'm feeling like a monster
just like you
and I feel I'm getting stronger
just like you
now I'm feeling like a monster
monsterjust stay a little longer
and take it further
make me a monster
make me your monsternow I'm feeling like a monster
just like you
and I feel I'm getting stronger
just like you
now I'm feeling like a monster
